With nearly 5 years of experience as a Senior Software Development Engineer, I have excelled in developing, testing, and deploying scalable ReactJS features. My career includes significant contributions to leading projects in TATA Consultancy Services I specialize in frontend development, adhering to engineering standards, and integrating with APIs via GraphQL. My expertise extends to leading teams, mentoring junior developers, and proactively suggesting engineering process improvements. I am committed to delivering exceptional value through strategic problem-solving and effective communication in remote work environments.

## WORK EXPERIENCE

### TATA CONSULTANCY SERVICES

Jan 2020 - Present  
Indore

#### SYSTEM ENGINEER

- Led a cross-functional team to develop and deploy scalable ReactJS applications, enhancing user experience and reducing load times by 30%.
